

# Advanced catechetical Ministries

The program of formation in Advanced Catechetical Ministries seeks to enable the integration of the participant's personal faith development with the overall objective of preparing for sharing that faith.

In a three-phase process, participants are introduced to the core themes of Church teaching and catechetical praxis.

The Theology Phase, the Catechetical Phase and the Practicum Phase of the program incorporate a course of studies consistent with the *General Directory for Catechesis*, *National Directory for Catechesis*, *Catechism of the Catholic Church*, *United States Catholic Catechism for Adults*, *Co-Workers in the Vineyard* and *Our Hearts Were Burning Within Us* along with our Archdiocesan Religious Education vision of missionary discipleship.

# SAVE THE DATES

## ACM 2020-2021

All members of the community of believers in Jesus Christ participate in the Church's catechetical mission. Some are called to more specific catechetical roles... From the earliest days of the Church, immediately following the apostles' acceptance of Christ's missionary mandate, catechists have made and continue to make "an outstanding and absolutely necessary contribution to the spread of the faith and the Church by their great work." Esteemed members of the Church's apostolate, they perform "a fundamental evangelical service."
