

Philosophy

The Elementary Catechesis Ministry of the Office of Religious Education recognizes, celebrates, and maintains as its focus the unique expression of God's presence in our children. In support of the gifts children bring to the world and specifically to the Catholic Church, the Elementary Catechesis team serves the Archdiocese by training and empowering those who are involved in catechetical ministry with children in grades one through six.

Faith formation is a lifelong journey.

development

The Archdiocesan Elementary Catechesis Ministry is here to help address the specific goals and needs of the elementary level catechetical community. In addition, we provide support and resources to Parish Catechetical Leaders, training and enrichment to catechists, as well as individual parish consultation.

1. Specialization

As part of the Catechist's certification process, we offer the Elementary Specialization phase where we teach skills specific to the elementary grades. All catechists are welcome whether pursuing certification or enrichment. Encourage your catechist's growth and skill development through our Specialization.

This is a 16-20 hour dynamic in-depth program that is interactive and exemplifies successful elementary techniques, pedagogies, and creative ideas!

- **Including Family in Your Ministry**

workshops

Lively, participative, and filled with practical ideas for the elementary catechetical setting, our workshops are excellent resources for training. Regional teams formed by Master Catechists and experienced facilitators would lead workshops, retreats, and in-services to help train catechists and their aides who work with elementary-level children.

2. In-Services & Retreats

In addition to the annual Religious Education Congress held in Anaheim, various in-services are held throughout the year that provide further opportunities for catechist formation. Such in-services include:

- Catechists' Retreats
- ABC's for Beginning of the Year
- Publisher-Sponsored Workshops
- Regional Congresses
- Seasonal Workshops for Advent & Lent

- **Catholic Social Teaching**
- **Catechetical Methodology**
- **Behavior Management**
- **Children's Spirituality & Prayer**
- **Encourage and support!**
