How do you form missionary disciples?

When a person becomes a disciple extraordinary things begin to happen in their life! Individuals begin to pray with passion and yearn to be in community. They begin to desire to discern God's call for their life, and are eager to participate in all kinds of formation experiences to foster their relationship with God! In this 2 hour formation, we will look at how we can help someone become a disciple and unleash the full power of their baptism!

Bobby Vidal: Associate Director of Evangelization & Lay Formation for Saint Kateri Tekakwitha Catholic Church in Santa Clarita. Drawing on nearly twenty years of parish-ministry experience, Bobby provides vision, spiritual formation, and direction to St. Kateri Church in order to help shape the parish culture so that the community might become one of intentional discipleship. Bobby is one of the contributing authors to the book, "Becoming a Parish of Intentional Disciples," published by Our Sunday Visitor in 2015. As a trained spiritual director, Bobby has a passion for calling others to a life of discipleship and apostleship through the Spiritual Exercises of St. Ignatius.
